The Premises:

Safe with plenty of parking, only this time parking was pretty full since it was a Saturday and it's free. Usual MKE establishment, safe and discreet. Clean rooms and friendly staff as always.

The Lady:

Gia: Seen her on numerous occasions now. Slim petite figure, very toned. Gorgeous hair (if that's your thing).

Camilla: Blonde curvy tall in stature to me anyway. Overflowing with humour and sexual promiscuity.

The Story:

The session started off only with Gia, as there must have been a bit of confusion when I booked; my intended plan was to have Gia and Camilla together, with Camilla and Gia together for 45 minutes, then the remaining 2 hours with Gia. Was told by the maid that Camilla will join us after 30 minutes or so, which wasn't a problem at all.

A brief catch up with Gia, then down to action. Fk, which lead to DFK then she started getting down to business on me which is always a pleasure. After she was done, she demanded it was her turn, which I was obliged to give back. She tasted divine while wrapping her legs around my head while I give her the pleasure she craves. Onto the main event in numerous positions. As the time mark was approaching I was edging quite a bit, so I can hold off for Camilla's arrival. Gia mentioned that Camilla was quite full on. I had a mental image in my mind what to expect....

Camilla knocks and walks into the room, with smiles and a quick chat amongst ourselves together which was interesting. Turned out I guessed the completely wrong team which Camilla supported, turns out we share a common rival. Onto the main action part 2;

I asked for a blindfold, since they didn't have one I ended up improvising with what I had then covered Gia's eyes. I then told Camilla that "you have full reign for the next 10 mins". Next thing I know it's her oral skills from zero to cock queen hero! It was deep, wet, generous and copious amounts of ball licking (thinking about it now is giving me the chills), the sounds that Camilla was making took Gia by surprise (from my perspective). I vaguely remember Gia saying "ohh I like that

noise". At this point I was edging like crazy while Camilla was putting me at the centre of attention. By now Gia asked that she wanted to watch, so we took off my makeshift blindfold off.

With Camilla seemingly already more than acquainted with my manhood with plenty of eye contact in between, I asked Gia to straddle her pussy on my face; the intensity of Camilla's oral then went up a few knots, so did my own work on Gia. I felt Camilla deserved a bit in return, so I then went onto to have a taste of Camilla as well. Had both ladies laying on the back and giving then a taste was something that will stick in my mind for quite a while, the giggles and moans in unison. Was ironic how Camilla and Gia were giggling amongst themselves while I was busy with Camilla, she even complimented on my work which was nice, "thank you".

I was mindful of Camilla's time with us, so Camilla was a head laying over the edge of the bed while she got to work again on me, while Gia kept saying "you can cum in her mouth if you want", this completely took me away... I thought I was a bit nervous about it, but I didn't orgasm as Camilla had me right on the brink. She mentioned that Gia kept touching my pelvic area and apparently that stops me from coming to an orgasm as Camilla felt me in her mouth throbbing. Unfortunately I didn't come to completion with Camilla. Again sorry I didn't as her technique was out of this world. I didn't end up having any sex with Camilla on this occasion, but her oral more than made up for it. A quick chat amongst ourselves again before the gorgeous blonde left me and Gia alone, and continued with the rest of our session, which was another 1.5 hour to go. Trying numerous positions especially in front of the mirror. Ended up finally coming to climax over the two hour mark, which Gia was happy about. Oh boy was that worth it! Ended up chatting about of our experiences and passions for the rest of the time as I felt there was no chance for another round on my end.

This was my first threesome experience, which in turn was quite a sensory overload (for me anyway). If you want to be devoured like your time at MKE depended on it, then Camilla is a woman for you.

If you like a bit of intimacy on a kinky kind of level, then Gia could be for you as well. Either way you cannot go wrong with either of them.

Nonetheless it was an experience of pleasure out of this world. Both ladies took me all the way to pluto and back with a bang!

On a side note; Camilla you might be a loss to a past industry, but this industry has gained a lot from you that's for certain.

A memorable time spent with two gorgeous ladies. See you next time!
