Basement flat near Victoria. Comfortable and clean room.

### The Lady:

Effy is very sweet and cute, slim and sexy. She is lovely to look at and listen to and sports some interesting tatoos. Very English rose.

### The Story:

I had seen Effy back in January and had a lovely time so when I saw she was available on a weekend when I was in London I had to book her. She came in wearing some very alluring lingerie but we soon got that off and I commenced with kissing her all over, culminating in some delicious pussy licking. Effy then enjoyed my cock orally for a bit before we fucked, me on top then her on top, Effy making lots of appreciative noises. I do like her kissing technique, very soft but yummy. Went into 69 and finished in her sweet mouth. After a clean up we chatted about travel and art. I do like listening to her quietly lovely voice. A great punt with a charmingly elegant and sexy woman. I'll see her again if chance allows!
