The Premises:

Spacious, clean 2nd floor flat in house on quiet square in SW London. Bed, shower etc all absolutely fine.

The Lady:

Beautiful Russian girl, looks very like her pix on agency website, height at 5ft 4in and age 22 would seem about right, really lovely face and manner, curvy slim body, superb medium-sized natural breasts, long dark hair, delicious derriere and legs. In short, an absolute dream.

The Story:

I often take quite a bit of time trying to decide whether I want to see a particular escort, but not so with Clancy. A quick look through her pix and videos on a couple of websites, and I just had to see her, simply because she looks so beautiful. Although her hourly rate is a bit more than I usually pay, I decided to treat myself as a slightly late birthday present. I booked through Babylon Girls, who I usually find very efficient, but it was the selfie videos of her on another agency website that was the final clincher.

Before entering her apartment, I was slightly worried that in person, she might not be quite so gorgeous (as is sometime the case) or that she might be a bit cool and aloof, however when she opened the door, my fears melted away. She is absolutely stunning, and dressed in some very sexy black lingerie she welcomed me in with a lovely smile, kiss and hug.

After the usual preliminaries with "paperwork" etc, it was straight down to business. Without going into a lot of detail, there was a lot of kissing, cuddling and fondling (she seemed quite happy with french kissing) then clothes off and a bout of reverse oral which I think both of us really enjoyed -- it certainly got me rock hard -- then energetic sex in a number of positions. I came the first time after about 15 minutes, then after chatting for a while it was more sex and I very nearly came again (which given that I am definitely "getting on a bit" is quite something). Clancy was very responsive, willing, and cooperative throughout.

Now for the downside -- she is unfortunately not going to be in London for much longer at all, much

to my chagrin. In fact, by the time this review is being read, she will probably be gone. But I think I may have persuaded her to come back next Spring, so look out for her then guys, I certainly will be.
