The Premises:

Nice new premises, with slightly larger rooms. Very comfortable, and super-helpful maid.

The Lady:

On the outside: Sporty, fun girl next door (or your best drinking mate who you secretly fancy).

On the inside: slim, sexy, sensual. Perfectly sized and shaped. Lovely attitude and cheeky sense of humour.

The Story:

My second time with Hayley, but it won't be my last by any means. Last time was good; this time was probably the best sex and intimacy I've had for a decade or more. Hayley remembered me instantly, and greeted me with a lovely long kiss, before relaxing me with a skin-tingling massage (the things she does with her hands!) and playful tickles. In fact our hands were setting each other off, each writhing in turn to the others' touch. It wasn't long before we were fucking - and my goodness what a fuck. Lots of positions, each deeper and more pleasurable than the last, Hayley's moans spurring me on... and half a hour later we were both spent, cuddling on the bed. We agreed we'd both needed that, and could sleep happily that night. I hope it won't be too long before we meet again. What a woman.
