The Premises:

Mikel has a nice enough apartment in the Earls Court area. It's down a very quiet side street and passageway that I've been to a number of times before. It's a few floors up and there is no lift, so you don't need to be too tired for this climb. Decent facilities and a comfortable room. Perfectly safe and secure.

The Lady:

She's definitely the girl in the pictures and I'd say her age is about right. Quite tall and incredibly slim. I mean super slim, almost to the point of too much, but not quite there. She has a great body, enhanced boobs that look great. She does not speak very good English at all, but she is very friendly and tries very hard. A lovely young woman.

The Story:

Mikel greeted me at the door wearing the tiniest pair of denim shorts I've ever seen, and a white crop top with nothing underneath so her boobs showed through. To top it off, she had on a pair of shiny red high heels. She looked wonderful. She smiled and welcomed me inside. After the formalities were taken care of, I went off for a shower. When I returned she was standing there in the bedroom wearing only a pair of tiny black panties and her heels. We quickly got acquainted with some very passionate kissing with tongues and she went down on me instinctively and pushed me back onto the bed. Her OWO is without a doubt among the best I've had. So nice and wet, and pretty deep too. She liked to mix it up her technique too, which I found very nice indeed.

Sex was enjoyed in a number of positions, my favourite being from behind. Mikel has a great ass and tiny hips that you can just grab hold of and pull onto you. Had a great time in this position. I decided I wanted to CIM so I pulled out, whipped off the condom and she turned as if she knew what I wanted. As I jerked off over her face, she told me it was extra and I agreed just at the point of exploding into her mouth. The timing of this transaction could have been better, but it didn't matter too much, I still had a great time.

We laid together affectionately for a while afterwards. She's a very calming woman to be around, and very sexy too of course.
