The Story:

Sophie is someone who jumped out at me when I viewed the website and over a short period of time saw that she had quickly earned a number of positive reviews which is always a good sign.

Trying to book an appointment with Sophie wasn't so easy due to her limited time at the HoD, me being in the vicinity and having space in her busy schedule. However, eventually it happened and my god it was as good as I'd hoped.

Sophie didn't stop smiling from the moment she walked into the room until we kissed goodbye at the front door. She is a lovely and sexy lady who should be treated as such. I only wish I had booked longer.

Despite the website claiming Sophie is 42, I couldn't see a fault in her body, she looked fan-bloody-tastic and I hope to visit her again soon.
