### The Story:

Avoid - Avoid - Avoid... either this is spotty oik in a dark bedroom having a laugh at my expense, or a totally dysfunctional person. I'm not saying she is a junkie but this behaviour is symptomatic of that of one.

Attempt 1: AW online booking for 11:00 am Friday accepted and emails exchanged. Went to nice suburban area of Carlisle as directed by 11:00am. No reply on phone, then a text arrived asking who I was which I explained (every other escort I have used have programmed my number into their phone so they know who I am). After about 10 minutes another garbled text saying she had slept through her alarm and would be ready in 20 mins. I wasn't in a rush so I waited until 12 noon (50 mins), no replies to texts or calls. So I left as I had somewhere to go. About 3 hours later another garbled text apologising and giving some excuse about her dad coming round and would I like to rearrange. I gave her the benefit of the doubt and rearranged as below stating that I couldn't afford to be too late on this occasion and she replied saying she would be definitely OK for that.

Attempt 2: was for 4:00pm Sunday, Texted at about 3.00 then again a bit later to say I was going to be about 10 mins late, she replied OK as she was running a bit late as well. I arrived at same address as previously given at 4:05, Called but no answer, then a text saying she had had to relocate to a hotel, and would I chip in £10 for the room, and she would get a taxi and text me when she had booked in. She also said that she was aware of my time constraints. I was now getting really bad vibes but drove back to Carlisle centre and parked up. No text so at 4:30 texted to say that my absolute latest time was 4:45. At 4:50 went back to car and texted her pointing out she had now done this twice and not to bother replying and drove off to do something else.

I think her next text crossed with mine as she said she was just waiting for a taxi which would be 2

mins and would whatsapp me with proof of her existence. Then she texted me at about 5:00 saying that she would do a 45 minute visit. No good, I had stuff to do and anyway she had now pissed me off so much it would be impossible to enjoy.

The standard of professionalism and general quality amongst escorts has plummeted since I started 10 years ago. I never parted with money in this case here but that's a good two hours I will never get back, and am now despairing of finding a good reliable escort in the Carlisle area.
