The Story:

Superb, firm and expert massage. I love it when the masseuse leans into you and you feel her body gliding against your skin. Then when my legs, back and next had been properly attended to, Jodie dripped some oil around my bum and did the famous Ego reach under, stroking my balls and cock perfectly. Her fingers gliding across my nether regions was super erotic.

Turned over to get a whole new experience of body to body (and that is saying something given my many visits to Ego). When the time came for the happy ending, Jodie positioned herself at the end the table, facing me and spread my legs to tease and prone my ass as she rubbed me to an amazing conclusion. She asked me to relax while she showered and then scrubbed my back with a lovely potion to remove the excess oil.

A quite superb hour with an amazing masseuse. Thank you Jodie and Ego
