The Premises:

The venue was easy enough to find with parking nearby in almost every direction. When I was let inside, I noticed the styling of the rooms and hallways. Very nice ! I felt warm and welcomed straight away and was offered a drink. I was shown around the premises and given a tour of the shower facilities by beautiful Pixie. Showers were modern and already stocked with clean towels and shower gels. Nothing was cluttered in the walkways so it was really easy to navigate. They even put the heating on in the room for me as I was cold from outside weather.

The Lady:

Pixie was porcelain skinned angel with eyes that would stop time. I honestly felt like she could see into my soul. Her hair was tied up on a decorative fashion which really went well with her cute face. Her eyes are sharp blue with brilliant clarity. She was petite and slender with a really warming attitude. I felt a deep connection with her as she made me so relaxed. If you are considering a visit and Pixie is in, please do pay her a visit. She is lovely.

The Story:

As I removed my clothes and lay on the comfortable bed. Pixie had some sweet music playing low. The lighting couldn't be better with just enough to enjoy the room and the lady, yet not too much as it hurts your eyes. Pixie made some small talk with me as I made comments about various things. And this really helps to get into the mood. She caressed my body in ways of desire and enjoyment leaving no movement robotic or negative. As she applied oils to me throughout which smell very nice. She motioned herself over my body and made me feel fantastic ! She would look up at me with that intense glance monitoring my pleasure yet not rushing. As I neared explosion she payed special attention to my solid erection. Proof of my satisfaction came as I released with a lasting climax. Her hands knew how to please me and I was left feeling overjoyed and eased. I went home happy that day, thank you so much Pixie. I really loved meeting you, it was intense in a good way ^ _ -
