The Premises:

Nice anonymous flat behind Office world. Clean and comfortable. Buzzer entry but I wasn't kept waiting

The Lady:

I'd guess early 30's. Petite and pretty. Decent English too - we had a good conversation. Small to medium breasts and a hysterectomy scar. No tattoos which is a major plus for me!

The Story:

Thanks to Transit for putting me on to this place. I'd rung around a few other options and this place was the only one available. I turned up expecting a perfunctory half hour suck n fuck but the girl was pretty and engaging so I opted for the hour. I'm glad I did - we got on very well despite our obvious age difference and spent a good 30 minutes just snogging and exploring each others bodies with fingers and tongues. I was a bit disappointed to be asked an extra £20 for OWO but again, Chen was so sweet I couldn't really begrudge her making a bit extra. It was pretty good too.

When we finally got around to the sex proper, I have to say it's the best I've had in quite a while. Rather than the usual hard and fast shag you usually get, this was slow and gentle and pretty fucking amazing! We slid around each others bodies for a while before Chen offered me an oily handjob finish. I came gallons!

Afterwards, I wasn't shown the door, rather Chen offered me a post shag massage. Very nice. We must have gone over time but there was never any clockwatching.

As ever with these sorts of places, the girls change regularly so the chance of bumping into her when I'm passing MK again is slim. She tells me that she also works in a parlour in Northampton so keep an eye open if you're in the area.

Would I see her again? For sure although I'd book her for 2 or 3 hours.
