The Story:

Been over 15 years since I last saw Ella. She's matured wonderfully; bigger but still firm with the same deliciously filthy attitude. There's a reason Ella tops the great review list at HOD and it's not just the length of time she's been there.

Ella is top league and delivers as per her likes list at the peak of her powers. She knows what she's doing and attunes to your wants straight away. Not long after she came in the room I was receiving porn star oral with flicking tongue, spit and Ella making internal murmurs of pleasure while stroking my balls with her hand.

I wanted to see that lovely arse again and Ella was soon up on the bed on all fours presenting her pussy and bumhole for pleasuring - just as I remembered she still has the most wonderful, silky, elastic bumhole and a delicious pussy. This was just the first five or ten minutes! I wanted to shower but before I turned it on, Ella squatted over me in the bath and delivered watersports with expert aim and control; squirting it out on demand. Again, she knows what she's doing and was very well hydrated.

After the shower there was face-sitting, 69 and more mutual oral in different positions and after a while I shot my load in her mouth. Talking and mutual stroking followed but Ella wasn't finished and started to talk dirty, licking and sucking my balls, then onto my cock, varying it and using her hands expertly to vary the pleasure. I shot my load again! We didn't fuck but I wasn't bothered as with Ella it's all about the experience. I've obviously mentioned the filthy aspects but finally and just as importantly for me, Ella is a kind, warm person with a glint in her eye.
