The Story:

Maya is lovely. She wants to please, is a very warm person and looks to you for direction. We started off with lovely DFK and mutual stroking. Then I sat on the edge of the bed (I was already naked) while Maya showed me her lovely body. I asked her to slowly bend over, arch her back and stick out her little peachy bottom. Then she slowly slipped off her panties and gave me some lovely spreads. Within a minute I was licking her delicious little shave pussy and rimming her lovely bumhole. I used up the full half hour with 69, face sitting, reverse cowgirl, oral on me (with a condom), standing up bending over in front of the mirror, doggy on the end of the bed, missionary and plenty of mutual oral in between. This was all done at my request and to repeat myself, you need to take the lead as Maya is warm, willing and wants to do a good job. I came almost at the end of the session but we did have a chance to talk before I left. Maya is very intelligent and with her attitude will hopefully do very well at HOD and look forward to a great future. All the best to you, Maya.
