### The Lady:

Sandy is about mid 30s, I think! About 5'7" and around size 10. She's white, local and has blonde hair.

Admittedly she's not my immediate type but she looks dirty and I did get wood.

### The Story:

She's not the most chatty woman, not that it's a problem but it does sometimes help to lighten the mood so to speak.

Anyway we got straight down to business and there were many positions and dirty talk being exchanged. She is definitely quite the slut and aims to please. She also likes it rough. Oral is on the menu both ways if pre agreed and she has a lovely snatch to bury your face in. Her arse is nice and toned... Which I like.

Eventually she sucked me off til I came in her mouth and continued to suck me dry.

She really is the consummate professional. I'd go back for more of her in the future, no problem.
