The Premises:

Premises pretty clean - been there a few times now! Straight to the point very friendly maid offered me water whilst I waited for Cherry

The Lady:

Cherry is a sassy beautiful young lady, with a very good sense of humour!

For me her tan and perfect body is one I always look forward to seeing. Yes that's right we have a bit of an ongoing relationship/visit arrangement lol

It's taken me a while to write this from a selfish point of view! The fewer people know of her beauty the easier it'll be for me to book her

The Story:

So was greeting by a lovely smile.

She was is very good when it comes to sucking the weapon:)

Retuned the favour and she was in a blissful world whilst my tongue explored her beautiful body! Much to her delight she want shy to assist and stimulate herself to a happy zone.

On with the raincoat, multiple positions reverse cowgirl was a sight to be savoured

Finished in my favourite doggy - the sight of me thrusting and her pushing her back on it lead to me pumping my load.

Really good good girl and lovely person above all.

I'm not one for catching feelings but there's something about this girl (it's not just work) she's a diamond!!

Cherry till next time when we do role play with the glasses on as you suggested lol

Thank you
