The Premises:

new build flats in Canary Wharf. nice flat discreet due to sheer number of flats on the development. I got lucky with parking but could have been a real problem even at that time of night.

The Lady:

stunning Thai lady as per pics. I love Thai women so she was right up my street. perfect petite height and frame. slight pouch but nothing concerning.

The Story:

fantastic. took care of me from minute 1. from assisted shower moved onto bed where she took control with ball licking, deep throat and gagging. rode me cowgirl with gusto. moved onto an ok massage before more of same and didn't stop til I came. all with a smile and care. highly recommended.

I see she's moved now but if she returns to London I'm there
