The Premises:

A modern private flat situated near to Brick Lane. The entrance was very discreet. Bethnal Green tube is probably the nearest station.

The Lady:

I think it was the girl, possibly a little older. She was around a dress size 8 to 10 with really impressively large, firm and natural breasts.
I think the second picture from left on the bottom row of her gallery photos is the best example.

The Story:

I had a very enjoyable punt. This was in part due to Alexya being very friendly, but wow those breasts! The session started with covered oral which I very much enjoyed. We then switched to sex in doggy position during which I couldn't resist leaning forward to give her breasts another squeeze. We ended the session with me withdrawing and removing the condom and thrusting between her breasts before exploding all over them.
