### The Premises:

As we all know, the place needs a lick of paint and some maintenance however its never been too much of a problem in most occasions.

### The Lady:

charlotte is very plain but pretty when/if she smiles. she is tanned with a lovely figure to her credit however i feel she may have been relying on this for too long given her feedback!

### The Story:

From the moment i walked into the room, she made it very clear that she did not want to be there and to be honest i almost felt bad about it myself. This did quickly change when he attitude revealed itself more. Charlotte was very cold and despite paying extra £20 for gfe, didnt want to kiss or be sensual in any manner. Mid booking i asked her if she was ok and if there was a problem as i sensed her anamosity toward me and she simply said thyat she had had a bad day because "she was sick of working with a bunch of crack whores" followed by a bizare laughter.

After this she asked me if i would like to 'finish myself off'. very dissapointing.

Wouldnt return again.

Upon leaving, i wasnt sure whether Charlotte was just fed up and a cause for sympathy or whether she was just having a bad day and plain rude, perhaps reading her other reviews she is a lovely deep down.

Made me question whether punting is for me...
