The Premises:

HOD2, nice and clean flat in central London. Friendly, attentive receptionist. Soft drink offered.

The Lady:

Black ethnicity, nice long hair, 5'6", voluptuous body, pretty face, friendly and bubbly. Pictures do not make her justice, she looks better in person.

The Story:

I was waiting in the room when I heard the sound of heels outside. I realised I was then one door away from a porn star. I got really excited, then the door opened. When Jai got into the room I thought "wow". I repeat, WOW. She looks so awesome! She got naked and greeted me with a deep French kiss. She plays with her tongue a lot, which is fantastic. I was about to say something to her but I could not finish the sentence as she was already on her knees giving me oral sex. She spat on my cock and licked it in a variety of sexy ways. I was struggling to stay calm when Jai swallowed my cock completely. For a moment I felt like Charlie Sheen.

We laid down on the bed and I suggested doing a 69, Jai accepted enthusiastically. After a while, I asked her for a condom and we had sex in the missionary position. Finally, I fingered her whilst she stimulated her clitoris at the same time.

We had a nice chat afterwards, Jai is rather friendly, mild and well-spoken. Thanks, Jai!
