### The Story:

I have seen Nicola on many occasions and I enjoy my time with her immensely. On this visit, she came into the room looking stunning and immediately wrapped her arms around my neck and we kissed and touched each other for some ten minutes before we moved to the bed. With Nicola on her back, I started to lick and suck on her erect nipples before slowly making my way down her body to her precious pussy. She tasted divine, with my tongue working wonders and her body twitching, I managed to bring Nicola to an arousing and noisy climax. Now it was my turn, Nicola started by licking my erect cock before wrapping her gorgeous lips around it and using her tongue to pleasure me. We moved to the 69 position where we continued to lick and suck until I was nearing the point of no return. Nicola placed the condom on me and then climbed on top, it felt amazing. With slow rhythmic movements and leaning forward, we continued to kiss before changing positions. We used the doggy position for a while before moving on to the missionary position, my favorite. Nicola took my cock in her hand and gently placed it in her pussy, looking into her smouldering eyes I began to move back and forth, first slowly then faster, pushing deep inside her. With every stroke of my cock, Nicola was becoming more and more vocal writhing in pleasure beneath me. Looking into those gorgeous eyes, I could last no longer and just exploded. We lay there still and fulfilled and totally drained. An awesome encounter which I intend to repeat on many occasions.

Thank Nicola for such wonderful experiences and for being you.
