The Story:

I'd seen Andrea about five months ago which was a couple of weeks after she arrived in London. So a return visit was in order. She remembered me straight away and we went straight into a long snogging session. Handed over the present and into the shower. Back on the couch with Andrea now wearing a black babydoll nightie, stockings, thong and heels. GFE for about twenty minutes with hands all over each other and non stop DFK. Gradually stripped her and put her in various positions. Pussy, arse and mouth freely available for fingers, and the old feller.

Andrea gives a top DT taking it right in until her nose is touching your stomach. Her rimming is very good too. Onto the bed and various positions with a good view in the mirror. On and on until I pulled out and came over her face and into her mouth. Big smile from Andrea before she cleaned both of us up.

A bit of a catch up chat then on to a firm massage which was very good. Andrea's english is not bad. She can speak good german if that's any help :-)

Ended up with loads of DFK and an oily wank. Off to the large shower with Andrea and we washed each other all over. Plenty of kissing and groping but I had nothing left. Clothes all laid out by Andrea. Kisses, hugs and back to the station. Lovely lady.
