The Premises:

The Lady:

High on something. Kept talking about "Are we going to Party"....So your guess is as good as mine.

Big false boobs. Covered in spots.....not nice.

Legs very spotty...No ankles.

Body had not born childbirth well.

Website said 27, she said 34.

The Story:

Danni arrived 10 years late....according to her photographs anyway. High as a kite on something, she was pleasant enough to talk to. Everything on her services list is extra sadly.

As I say, nice chat, but physically she wasn't doing anything for me....10 years ago, before childbirth & drugs maybe, but not now.
