### The Premises:

An industrial estate away from houses in the small town of Kirk Sandall. You walk across a car park and ring a bell so that the receptionist can let you in.

### The Lady:

Full figured and tanned. Early 30s. Pretty with blonde hair. 36E breasts.

### The Story:

This is my second visit to this parlour and my sixth visit to parlours in general since my first time last year. As before, the facilities were clean throughout and all of the staff were friendly. There were four or five girls in the reception area this time (about 1:30pm). I chose to go with Demi, a voluptuous woman with a pretty face. The description on the site says age 30 and 36E breasts, and I'd say that that was about right.

I opted for the 30 min session for 65 pounds. I confirmed with Demi that this includes full service. This time, I opted to have a shower before we began and Demi brought me a clean towel.

As well as having a full figure and natural breasts, Demi had a great personality and nothing seemed to be too much trouble. After some hand relief and covered oral, I took full advantage of full service (various positions), finishing with hand relief, which is usual for me. We filled the time well and Demi didn't seem to mind stopping and starting to try different things. At all times, the service was delivered with a smile, and I would recommend her. I hope to get back to the parlour when I can.
