The Premises:

Jasmin's apartment block was located a stone's throw away from Earl's Court railway station in London. As expected, her apartment was clean, spacious and comfortable. The usual amenities were provided on arrival and a shower was offered with a glass of water.

The Lady:

A petite, half Arab/half South Asian with flawless bronze skin, breast length dark hair, protruding nipples and eye-catching fingernails. Her profile pictures, although genuine, does not give her any justice to how stunning, warm, confident and friendly she actually is.

The Story:

Upon my arrival at Jasmin's apartment block, I was actually surprised she came down to greet me in person, with a hug to warm me up on a cold winter's evening, enquired if I had safe drive and a nice day. Once the initial exchanges were made, I was guided to her apartment and engaged in casual chit chat along the way.

Inside, Jasmine directed me towards the bedroom, offered to take my coat and made me feel at home. With payment, requests and shower out the way, she began with a soothing front and back massage, with teasing and tickling along the way, which was dutifully reciprocated. Throughout the massage, we discussed each other's backgrounds, hobbies and swapped tips on crypto currencies.

With the relaxing massage over, Jasmine proceeded with providing intense oral sex and with the old man standing to attention, she decided to climb on top, performing a mesmerising cowgirl ride. Doggy style was next, pounding away with a great rear view to boot. Finished off with missionary, simultaneously nibbling on her nipples, with Jasmin's legs in the air.

Climax over, Jasmin caressed my hair whilst in her arms for a few minutes, gently whispered in my ear and finished off with a quick, light spank. In addition, not only did she help clean me up, but asked me to rest for a while and had a nice hot shower ready for me.

In conclusion, I would most definitely recommend Jasmin if you're up for banter, a welcoming smile and debauchery in the bedroom.
