### The Story:

I arrived at the premises as a walk in, was shown to a nice clean room and the girls available introduced themselves, as soon as I saw Abbey I knew she was my choice. We got the business out of the way and then settled down to it. Abbey has a lovely bubbly personality, I was quite nervous but she soon put me at ease. We started with some light kissing and stroking on the bed, Abbey soon began stroking my cock and boy did she know what she was doing, it was bliss, then she proceeded to oral, she told me she only does oral with a condom, I had no problem with that and as good as she was with her hand she was so much better with her mouth, after a few minutes of her teasing my cock while I was playing with her lovely breasts I asked her favourite position, she said doggy so we got to it, watching my cock enter her from behind was amazing, I knew I wasn't going to last long so we switched to my favourite, her on top. She began to ride me so well in a matter of minutes I came. We still had some time so Abbey offered a massage, it was nice not to feel like wham bam thank you and goodbye. Anyone thinking of spending some time with Abbey I cannot recommend her enough, a gorgeous, lovely girl.
