The Lady:

Small, blonde, very pretty, Brazilian young woman. Nice lingerie, great black holdups and black high heels. Extremely friendly and chatty.

The Story:

Great kissing from the start, grinding her ass against me before unleashing her excellent enhanced tits and dropping to her knees to expertly suck my cock. Then onto the bed for more expert sucking before great cowgirl and missionary. Nice tight pussy, great physical response from her which resulted in me coming inside her - something I don't often manage. Definitely worth seeing.
