The Premises:

A new flat on the 4th floor of a new build. Very clean and modern with a bathroom/shower/towels. Parking on the side roads close by.

The Lady:

Julie is a english lady around 5.8 ish with a athletic build. Tanned all over and shaven with medium breasts. Nicely groomed nails and a pretty face.

The Story:

Her blowjob is probably the best I have had as she pays attention to a mans balls and that area behind them. Sucks cock like a champion and loves cum in her mouth. She is a genuine swinger too so enjoys her work immensely. I havent had sex with her that many times as I always cum very quickly with her BJ. However fucking her is very good too and she likes cumming with her sex toys. Highly recommended to all.
