The Premises:

A private flat in a block. It was an awkward place to find, probably nearer to Belvedere station. It was clean inside though.

The Lady:

Nothing like the girl pictured although I am experienced enough to know that would be the case. The girl I saw was petite with a lovely little bum.

The Story:

I rang and was given the postcode verbally, not texted. I walked to the address which in hindsight was a bad idea. I got to the location and phoned and Clara told me to wait where I was and she would come and collect me. About 5 minutes later she appeared and led me to the flat which was no more than a 2 minute walk. The first thing I noticed (apart from her being nothing like the profile picture) was how good her bum looked in tight jeans. Small, tight bums always do it for me. We got to the flat, went upstairs and I handed over £60. She seemed disappointed and said that she had taken me to the flat. Yes, but I could have found it myself! She stripped off, but kept her top on. I asked her to remove it and she asked for another £20. I agree and she took off 2 layers. What a disappointment! Her breasts were really saggy. I thought it was a bit of a cheek to charge extra. On to the session, it started with covered oral which wasn't bad. I was paying a lot of attention to fondling and squeezing her bum. We then switched to sex in doggy and that's why I regretted that walk. I was a bit tired and I struggled to enter her. I finally did, but I wasn't hard enough so I opted for a hand job. She wouldn't let me take the condom off and she gripped me a bit too hard. I did come, but it wasn't as good as it could have been.
