The Premises:

The basement flat near West Kensington tube. Probably the nicest of the current HOD premises.

The Lady:

I picked Laura over Sophie on the day despite Sophies rave reviews as I've got a 'Sophie' at home i.e. a partner who is more mature though still hot as hell and I prefer to go for someone a bit different. Well, I made the right choice. Laura is curvaceous, smooth skinned, has lovely, silky chestnut hair and is very smiley. Think cheeky, sexy girl next door. She matches her profile pictures well.

The Story:

When Laura entered the room I got her to remove her undies and sit on a chair which she happily obliged me by doing. I went over and tasted her lovely pussy before disrobing and letting her suck my, by now, well erect cock. Then over to the bed for a bit more mutual oral before on with the condom for some vigorous fucking. Laura was making lots of appreciative sounds. Thought I'd really check out Laura's oral skills next so went for a long, sloppy session of OWO, on the bed and in front of the mirror. I held out for quite a while, enjoying every second, until I finally pumped my load into Laura's sexy mouth. She kept on sucking and swallowing until the last drop. WOW, did I feel satisfied! A clean up then onto the bed for a chat about old HOD premises, some before Laura's time, some of the other girls and life in general. Laura is a generous, obliging and sweet lady. Highly recommended.
