The Lady:

Jess is one of my favourites. She has a body, very similar to the pornstar Tina Kay and she is extremely pretty.

Paris has blond hair, whilst Jess is brunette. She has a lovely bum, slim with C/B boobs. Pretty and sexy girl with nice pussy flaps.

The Story:

I took black stockings and suspenders with me for each girl and laid them on the bed with the money and two bottles of yellowtail rose wine (Jess' favourite).

Jess chose her suspender belt first and they spent a few minutes getting ready. They both looked extremely sexy. A beautiful, slim blonde to my left and a stunningly sexy brunette to my right - both with shaven pussies and wearing stockings and suspenders. Perfect!

I began by just holding them while standing up, feeling their slim sexy bodies and alternately kissing one and then the other. I then asked them to lie on the bed next to each other so that I could lick each of their pussies. After a while, Jess suggested that it should be my turn and she asked me to lie on the bed.

Jess began sucking my cock whilst Paris sat on my face. Paris has lovely pussy flaps and I munched away for ages as Jess did her stuff. A blond on my face and a gorgeous brunette devouring my cock. I told Jess that this was heaven but she joked that this kind of thing wouldn't be happening in heaven! I love Jess' cheeky sense of humour. If I was 25 again I would take her away and treat her like a princess.

I could feel Paris moving around on my tongue as if she was enjoying me licking her clit. I then pushed her forwards so that she could join Jess sucking my cock. I could feel them both on my cock and balls whilst I nibbled away at Paris' beautiful flaps and clit.

I'm not sure if Paris came (I think not but I hope she enjoyed it) but there comes a point when any man who has a pretty blonde and a beautiful brunette both sucking his cock at the same time has to spurt! Mine came a little unexpectedly and I think I came in Jess' mouth. Sorry darling, I got a bit carried away!

We spent the next 10 minutes cuddling on the bed with Paris to my left and Jess to my right. Jess told me that she started in the industry four years ago when she was 18. We chatted about travelling to Moscow, Machu Picchu and India. Jess loves Italy, in particular Perugia. She is a bright girl and, like most people, wants to see the world and experience nice things. We chatted about the Rugby World Cup and football and she said she'd like to go to a football game but finds it hard to get tickets. I offered to take her but understandably she said no. Jess, I'm deadly serious that I'd be happy to take you with me to stay in beautiful hotels and see the world. Anyway, back to reality - two stunners, all mine.
