### The Premises:

Nice clean flat

### The Lady:

Young and very pretty which is a shame for the quality of service she provides

### The Story:

Girl in the pictures but she was very mechanical, she s also on other agencies with different names but always as Danish and her phone screen was in Romanian so I have a sneaking suspicion that she is maybe not Danish after all. Does not do everything that is written, mostly refuses to touch you, very bad english and started to look at her phone and text in the middle of the seesion. Up until that point it was not bad but that was a big deal breaker for me. You can have a much better experience with less money. This was my first bad experience with this provider which is often rather good.
