### The Premises:

She used the Hallmark hotel when in Carlisle. This is a popular haunt for escorts being conveniently right next to the station. One big advantage of this place is the stairs / lift are next to the front door so you don't have to pass reception.

### The Lady:

Jessica is pretty perfect physically, about 5'8 nice 35D ish with all in right curves, very nice indeed. She has a well maintained full muff as well. On the personality side she is a well educated lady with a day job too which I like because it means they 'dont have to do this' so are still enjoying it, which showed. A big plus is she is a genuine Geordie lass, Carlisle seems to be a bit heavy on imported escorts otherwise.

### The Story:

Communication was excellent throughout, and she was ready on time - a thing that is getting a rarer an rarer. No Facepic on AW but I was not disappointing at all. No frenchies but very succulent and plentiful kisses putting me immediately at ease, and it didn't take long until she was down on her knees demonstrating that she can deliver an excellent BJ

Onto the bed and we slipped nicely and naturally between sex and oral (without) positions

Jessica has got the balance between friendliness and professionalism perfect and delivers an excellent service - she certainly knows how to please a man and certainly seems to enjoy it, keeping good eye contact which I find important.

Thanks Babe, after a string of escort disappointments you have restored my faith. Hope you enjoyed it too. xx
