The Story:

Zoe has been not long in UK, but her English is fluent. She is a beautiful petite girl with slim, small frame and sexy. She has a cute smile too, and is a very warm and welcoming girl. I felt comfortable with her right away. I was offered a shower, after my refresh, we chatted for a few minutes, she teased me and I kissed her, which became a french kiss. I got her out of her dress, she was wearing sexy beige stocking and suspenders. We moved to bed with further a lot of touching and kissing, she went down on me and I was getting a lovely BJ, with an excellent technique. I returned the favour, which she definitely seemed to enjoy. Time for the main event and we went for an extended missionary and it was very sensual and she was fully involved. I asked if we could do an oral finish and that was fine with her. So we went on with a great CIM finish; she stayed on task until I was completed drained. Great time, and I definitely recommend her!
