The Story:

I was shown to the room on arrival by a maid she was very nice and brought me a glass of water. After a few minutes Malua came in with a black dress and heels on and looked amazing she has a very pretty face and I would be happy to have her on my arm any time. She was very polite the whole time and I was made to feel very relaxed and not to rush. Did I say how pretty she is! We started with gentle kissing whilst still fully clothed and I had a feel of her bum to get me going. Malua slowly undressed herself and me which was excellent. Then I was told to lay on the bed and Malua then stood in front of me and removed her underwear making sure I saw her sweet pussy as she bent over. Then I was rewarded with more kissing of my body and fk before a nice short OW and I'm glad it was short as I was dying to get inside this lady by now. Malua then told me not to look at her face but to look at this! As she lowered on to my manhood reverse cowgirl (very nice) then I was told it was my turn now as she kneeled on all fours so I could enter from behind this is when I really started to enjoy myself as it felt amazing. Malua was shaking and gripping me like I never felt before and also turned to kiss me which made me feel very special! We then went for missionary for a while then returned to doggy for the finish! I can't fault this lady she is very special not sure I will ever be able to top this!

Malua is very kind hearted I felt very comfortable in her presence.

I hope she sticks around for a while would love to see her again.
