The Lady:

Like a young Demi Moore but much prettier, naturally very busty, nice legs, lovely peachy bum and extremely suckable nipples, great smile and all wrapped up in the very sexy lingerie as in her new bio pics.

The Story:

My third time with Morgan, the first two were fab but this exceeded all expectations. Started with plenty of DFK and groping before Morgan playfully pushed me back on the bed and started some serious owo on me. I had to return the favour but before I could Morgan wanted to check that she was fresh and fingered herself whilst licking her nipples, very sensual, offered to lick my finger and yes she was fresh. Went down on Morgan for ages, rimming her arse as well before she produced a toy to use on my balls, cock and bum, heaven. Replaced the toy with her tongue to give me an amazing rimming. Sex with Morgan on top, kissing with her tits in my face before whipping off the condom and Morgan draining me dry. Time for a quick chat and a suggestion for a two girl now that Frankie & Samantha have moved on. Fantastic session.
