The Lady:

Effy is a gorgeous girl with a dancer's physique, beautiful petite breasts and a shaved pussy. She has a few tattoos and is in the process of getting some removed. What I like about seeing her is that her appearance seems to change each time. Last time she was blonde and had just had her extensions taken out and she had a hairy pussy and for this visit she had her hair dyed burgundy and had a shaved pussy. She has a lovely soft voice and is very easy to get on with.

The Story:

Effy arrived in the room on time and after a kiss I gave her the money. We lie on the bed and she kissed my nipples and it wasn't too long before she was heading down towards my cock. She gives a lovely slow sensual OWO and it wasn't too long before my cock started getting hard. After a few minutes of sublime oral, I asked if we could have a 69, and she said yes. Effy is always willing to please and after a few minutes, it was on with the condom and I went on top for some gorgeous slow sex. I asked her to go on top and she bounced up and down on my cock, much to my pleasure. With time running out, I went on top again and though it was tempting to cum in her pussy, which is something I have never done with Effy, I decided to ask for some more OWO and I stood up while she was on her knees and came in her mouth. She then spat my cum out into a tissue, which is something I'd like to see her do next time I see her, with the cum dribbling out slowly. While cleaning up, it was nice to have a chat with Effy as it's been over six months since I last saw her.

For anyone who has never been with an escort and wants someone with a great personality and a gentle great time, then Effy is your girl. For those who have already been with her, once you have been with her once, you will keep coming back! This was the sixth time I have visited Effy and won't be the last.

A House of Divine legend.
