The Story:

Really sorry to have leave this negative review. Emailed through AW and received a reply. Set date, time and agreed fee. Email responses were slow but ok. I sent an email the day before, she confirmed, we agreed time again and all seemed good.

On the day, drove over in good time and sent text 15 mins before. Got reply at 9.45 saying she had got up late and could I wait 30 mins. I waiting until 10.15 and then sent three other texts. No replies to any of these so around 10.40 gave up and drove home.

I've emailed her since through AW to get an explanation. Nothing.

Best avoided.
