The Lady:

Lana is a stunning Brazilian woman with big juicy tits and a big juicy arse. Pictures are definitely real!

The Story:

Lana opened the door in sexy lingerie with a robe on. Showed me to the room and gave me a kiss. I handed over the funds and she told me to undress and join her on the bed. Started with FK and I moved on to her juicy tits. I then went down on her for quite some time and she was loving it. She then put on a rubber and I took her missionary. As I was getting close to finishing I went down on her again and this time she was rubbing her pussy against my tongue. After a while she told me she was going to cum and I told her to keep on going. She did and then told me it was my turn to finish so took her in missionary again and she was squeezing her pussy around my cock. Couldn't last too long as she started doing that and I finished. Gave me a little bit of a massage as we chatted for a few minutes and off I went with a kiss goodbye. Highly recommend Lana, especially if you want to see a real Brazilian woman with the figure to fit.
