The Premises:

Functional more than luxurious flat but great location few minutes from Great Portland Street. Clean, fresh towels. Well stocked shower, nicely setup room, chilled music. Was offered drinks and refreshment which was a nice touch.

The Lady:

Impressed by exact match to pictures though heavier makeup made her eyes stand out more. Return visit to Lauren after having a look around and confirming she was free 100%. Great set of enhanced tits, nice sized ass, flat stomach, in good shape and looks after herself. Would have expected no less for the fee and definitely did not want to be fucking a chubster which seems to be the case with a lot of PSE providers and a goodly portion of GFE these days. One of the prettiest WGs I've met in London with a genuine likes list and always like tattoos so was well pleased. Was greeted at the door by her in white lingerie with holdups, lovely.

The Story:

Was in London for a work visit and keen on finishing the trip with something fun.

Got in touch a few days before via her website (www.laurensubmissive.com) then followed up via whatsapp. Comms generally good but on the morning complete radio silence which made me think a plan B was needed. She got back to me by lunch though and explained she'd been at college with bad reception. I thought "Kinky and smart, not bad" but wished she'd let me know during the runup which was the best time to confirm on the day.

Was interested in a facefucking deepthroat experience with plenty of DFK and massages, a kinky GFE type of session with a hot girl and Lauren got the job done well.

Deep throat and facefucking

Real porn star effort with plenty of saliva, drool. Took the entire length repeatedly and no flinching when I unloaded in her mouth.

GFE

This was outstanding. Really felt she made the effort to make me feel welcome, plenty of

passionate kisses, affection and a solid massage, little soft touches and thigh stroking and some good conversation inbetween bouts. Extremely relaxing.

Summary

All in all well-pleased. Lauren's a gorgeous woman and an excellent fuck, I left feeling I was well looked after and will be returning.
