### The Story:

Has wanted to meet Olivia for some time but my work patterns until now didn't make it happen. It was worth the wait - from the moment she entered the room, it was like we were long standing friend. Loads of kissing, fondling and she undressed me seductively. Before too long, Olivia had my cock in her mouth and performed some of the best oral I've ever had. Paid loads of attention to my balls before working her way up to my chest, nipples and mouth for more kissing. We had an unexpected cuddle before she sucked my cock more. On with the rubber and she rode me beautifully. We finished with more oral and I came in her mouth. Definitely will see Olivia again.
