The Premises:

A clean private flat in a road off Eltham High Street. It is not far from Eltham Rail Station.

The Lady:

A young dyed blonde haired girl. Very petite, not the girl profiled. This girl had a tired, hard looking face.

The Story:

An absolutely awful punt. She was obviously in a hurry and she was very brusque and unfriendly. It was a shame because my previous punt at this location was the exact opposite. She basically wanted me out the room ASAP. Before entering the room I was told to take my shoes off. Maybe that is a ploy if punters start getting aggressive? Anyway I was given very basic stimulation and the condom went on straight away. "Fuck?" was the only word spoken. Doggy was out of the question and she reluctantly lifted her top to reveal her saggy breasts. So we had sex in missionary position and it was like having sex with a blow up doll. No emotion or encouragement whatsoever. I came, got dressed and couldn't get out the place quick enough. One to avoid at all costs!!
