The Premises:

Nice airy, smart apartment in a modern private block near Wandsworth Town BR station. Safe during the day. Looks well lit at night. Also CCTV on the estate. Busy looking roads nearby.

The Lady:

Long dark brown shoulder-length hair (the web site says auburn, but I think they mean hennaed). Height about 5' 6". Measurements 36c-25-36. Brown eyes. Fit, and curvy body. Friendly and playful personality.

The Story:

Arrived to find her dressed in a white basque with a see-through housecoat made from some very light material. Greeted with a kiss and ? once we had got the money sorted out ? a very sexy dance that ended with us both undressed and her mouth round my cock. Offered a glass of wine after she took a short bathroom break. Off to the bedroom for a preliminary and very sensual massage: plenty of attention to my balls with her fingertips. On to sex (covered of course): first missionary and then on to her favourite doggie. More wine and massage followed by sex with her on top. French kisses and allows oral on her. One finger inside only.

Make no mistake this was an entertaining afternoon. This is the second time I have seen Anika. She seemed a little distracted and much less full-on compared to the first time I saw her. Later she apologised for this and explained that she was preoccupied about something, so I guess she sensed I thought something was up. She still made sure I enjoyed myself fully. She is playful, sensual and intelligent. Well worth the money.
