The Story:

Its been over 10 years since i last met Helen, due to me being away from the area. i figured i would try to reconnect as I found her number in my phone contacts, it was an old number, so found the new one on her website and tried my luck!

Luck is the word! I am so glad I did! Helen was even sexier than I remembered. She is gorgeous! That body! mmmmm! Those eyes!! WOW!

I spent an hour with Helen this afternoon, and it was a totally amazing, sensual, erotic experience! I cannot describe how horny she is! I cannot stop replaying the experience in my head!

It was that good, I have to admit that I have joined Punternet today, never ever left a review before, but felt I had to to prove to you all that she is very real and not a myth!

I really hope now we have reconnected that we can have regular meetings, I will overcome my nerves, & experience all the joys and eroticism that Helen has to offer.

What a mind-blowing, amazing sexy lady!!
