The Story:

One of the best punts I've had, smashing lass, very pretty, started of with French kissing and sucking her breast very pert and her nipples are of the scale, very tidy. I then progressed to playing with her via sex toy which was great as my POV I could see it entering her tidy box she then moved on to me with a superb bj very good technique, almost too good as I almost blow too quick she saved the day and kept me calm until a bit later when I blew my lot great girl very much recommended
