The Premises:

Tracy currently lives in a basement flat in a quiet street in Bayswater, a short walk from the main high street and tube stations. Her flat is quite small, with a kitchenette area as you walk in. The bathroom is very cramped with a shower cubicle (no bath) and her bedroom is plain and simple with a comfy bed and mood lighting - but no mirrors to watch the action.

The Lady:

Ignore the heavily photoshopped photos which do her no justice whatsoever, and watch the video instead - that gives you a much clearer picture of the girl you'll actually meet. Tracy is a gorgeous Thai woman, mid to late twenties, standing 5' 2" (without heels), slim waist, no visible tattoos, enhanced boobs and a very pretty smile.

The Story:

I'd wanted to see Tracy for some time, but this was a spontaneous booking so I was delighted when the agency were able to confirm her availability at such short notice.

Tracy greeted me from behind the door wearing black lingerie & stockings as requested and I was immediately taken by her beauty - as I said above, she is much prettier in the flesh. A welcoming kiss on the lips and I was asked if I'd like to take a shower. "Alone?" she enquired. Seeing the tiny shower cubicle I thought it simpler to shower solo, and allow her to keep her lingerie on for my return. I was offered a drink and then led into the bedroom for the fun to begin.

Lots of kissing and cuddling to begin with before she straddled me on the bed and pushed my face into her ample chest. I'm not usually a fan of enhanced breasts, but Tracy's look and feel great. Lots more passionate kissing before I pulled down her panties and buried my tongue into her shaved pussy. She really appeared to enjoy my DATY efforts, moaning and wriggling into different positions until she was exhausted. Tracy then returned the favour with some soft OWO and I liked the way she slowly repositioned herself so I could continue to lick her pussy in the 69 position. More DFK while I fingered her wet pussy, and then I told her I was ready to fuck her. We started with Tracy riding me cowgirl, then moved to mish, and then went back to more OWO... "You want cum in my mouth?" She clamped her mouth around my cock as I finished, making sure not to spill a drop, then discreetly spat into a tissue.

After a quick clean up Tracy offered a massage which I declined, preferring to kiss and cuddle together as we chatted. Her English is reasonable and I speak a little Thai, so it was nice to just relax with her in my arms. With 15 mins to go Tracy reminded me that I could have a second pop, but I knew that I wouldn't manage it, so I showered again and we just spent the final moments kissing and chatting until it was time to go.

A lovely relaxing unrushed GFE with a beautiful and friendly Thai lady, just what I needed.
