The Lady:

I would say Adrienne is older than 21, and the photos on the website probably need updating.

The Story:

Had half a days holiday owing to me be to used before the end of the year, so looked at the schedule and decided to have a trip to MK to see Adrienne who had been on my 'to do' list for some time.

Arrived 10 mins early, offered a drink by the maid which I gladly accepted and was shown to the room. Adrienne arrived shortly afterwards. After introductions and getting the paperwork out of the way, Adrienne said 'lets get naked'. Whilst still standing, Adrienne asked what I liked - no sooner had I said kissing than she had her tongue in my mouth and her hand wandered down to my nether regions with some nice fondling of the balls and stroking my cock.

Onto the bed and Adrienne was straight onto some OWO - well, this must have been the best OWO I have ever had, no idea how she did it but it felt as though my entire cock was being treated to an early Xmas present - one of the best BJ's I've ever had! After 10-15 minutes, Adrienne asked if I could cum twice. Well that is a big ask for me, I haven't been able to manage two pops in one session for a long time. However I agreed and she proceeded to increase the oral pleasure until I came in her mouth.

I did say that it would be like a Christmas Miracle if I could cum twice but Adrienne was up for trying, and who was I to disagree! What followed was lots of FK interspersed with Adrienne going back down on me with a lovely BJ and HJ. Alas, despite her best efforts, it was one pop too far for me but I thoroughly enjoyed the time and Adrienne's enthusiasm and constant efforts.

All in all, a fantastic punt. Adrienne is the sort of girl that you could chat to for hours. Not quite sure how but I ended up learning that Romanian Xmas dinner consists of port wrapped in cabbage. Err, I think I will stick with turkey thanks Adrienne :)

Last but not least, thanks Adrienne for the recommendation of the local Fish n Chip Shop - I demolished a Fish n Chips while sitting in the car before I drive home. Highly recommended if you've worked up an appetite!
