The Premises:

The parlour was as well kept as ever, rooms were clean and modern.

The Lady:

Amy is about 5ft5, slim, a pretty face, late 30s, Long brown hair, and large, firm breasts. Photos on site are accurate.

The Story:

I undressed while Amy went and filed the Paperwork.

She returned and took off her bra and panties, revealing an exceptional figure. Extremely busty, but with a nicely toned and very feminine figure.

I caressed her and sucked her perfect breasts as she touched me and got me excited. I asked her to lay back and licked her little pussy. She applied a condom before giving me oral. We had some gentle, open mouthed kissing before I asked her to hop on, and she rode me enthusiastically, reaching behind her to tickle my balls, before asking me to go on top.

Missionary was great as it allowed me to press up against her body and kiss a little more.

She asked if I wanted finishing by hand but I was enjoying the missionary so much that I kept thrusting hard and finished in the bag with a very intense orgasm.

After, as we got cleaned up and dressed we had a chat, Amy is chatty, sweet, and has a really likeable personality.
