The Premises:

Usual establishment in Fenny Stratford off the High Street with plenty of free parking round the back. Rooms, decor etc. ok but the beds are getting very lumpy.

The Lady:

What attracted me to visit Angelica was the photos on the website, I don't usually visit a lady until she has had a few reviews but Angelica looked so good I thought she would be worth the risk. Angelica looked just as good in the flesh, if not better. She has a body to die for, worthy of superstar model status.

The Story:

Angelica is probably the happiest, bubbliest lady I've had the pleasure of sharing an appointment with, and she seems genuine. Eager to please and good at what she does. I don't need to go into details because you all know the drill.

Hopefully guys will treat her well as she is someone who will bring lots of pleasure to lots of guys if she stays in MK.

Highly recommended!
