### The Premises:

Modern flat bloc, very clean modern flat. Although the bedroom used could be bigger.....I kept bumping my head.

### The Lady:

The same sparky friendly lady from memory at HoD days. A tad curvier as none of us is getting younger. Must be said a mature woman so don't expect a stick insect. Lovely warm personality and still has that mouth watering bum.

### The Story:

Booking and finding her place was very smooth and easy.

Offered shower but has just showered sho declined as want to get my hands on that body and get snogging.

Business side taken care of, got to disrobe and peel off a tight little black dress. Snogged for ages while hand roamed freely. Then on to business, all services offered given with enthusiasm and gusto. After intital spurt, got to catch up with lovely chat then back on it.

The hour went without much to quickly which it often does when you are enjoying yourself. No clock watching but subtle nudge when time was up. Slightly over. Left with a smile and snog.
