The Premises:

Kiki stays in a terraced block in Upper Berkeley Street, a few minutes walk from Marble Arch. Very safe neighbourhood, lovely flat full of butterfly images, immaculately clean throughout, she clearly takes pride in her flat.

The Lady:

Kiki is a typically petite thai lady in her late twenties, very attractive, and lots of different costumes to choose from! Photos are pretty accurate.

The Story:

Having chosen black PVC in advance, just as the photos on the website, Kiki was dressed exactly as requested, and looked sensational! Our time together got increasingly passionate as she warmed to the task, aided no doubt by few minutes of DATY which she appeared to love. By the end she was giving DT like no other thai lady I have met, to the extent that oral was as far as we got on this first meeting together...plenty of reason therefore for a second visit. The one disappointment was she did not want to engage in any kissing despite DFK being offered on her webpage, but said she might next time....
