The Premises:

The usual place, easily accessible between the car park and the high street. Not a luxury hotel but perfectly adequate.

The Lady:

Beautiful, petite young lady. She looks like the pictures and I've no reason to doubt the description. Not, however, for you if you're a boob man.

The Story:

First impression is that Candy is full of life and energy. She's really easy to get on with and talk to. She listen to what I wanted to do and fulfilled my slightly unusual femdom requests exactly as I'd hoped, almost as if she's read me mind. I think it's fair to say that she's not a hardcore dominatrix, and MKE is the wrong place for that anyway, but she fitted what I wanted to do perfectly. Highly recommended.
